What did this TA do that was most helpful to your learning experience in th...

The video instructions for the labs were extremely helpful!

Her ability to answer all kinds of questions was the most helpful.

Ling was always prepared for class. She went at a great pace, ensuring that all students understood the content.

Ling was the best/most helpful TA I have had yet at the U.

Consistently prepared to lead labs, created easy to comprehend videos addressing class content, was always ready to answer questions posed by myself and classmates.

She walked us through each lab! It was nice having someone sit there and take us through the material like that.

Q11 - What might the TA do to improve your learning experience in the course?

What might the TA do to improve your learning experience in the course?

Watch the lab videos the night before so that a student can come to lab with questions if they have them.

Nothing, keep up the great work!

Q13 - Any additional comments you'd like to share?

Any additional comments you'd like to share?

Our TA was a great person who was knowledgeable and meant well. I did feel like the language barrier was a struggle that prevented clear answers when questions on material arose. Sometimes after a question I still remained pretty confused but felt bad and didn't want to ask again. Overall she was super nice and accommodating I just struggled over language.

Thanks for being such a great TA!

Ling could have been the professor of this course

Given the circumstances and state of distance learning I feel Ling performed exceptionally well.
